### SKILLS

#### Digital Skills: European Computer Driving License Core

- Basic Concepts of Information Technology, using the computer and managing files, Word processing, spreadsheets, database, presentations, information and communication.
- Beginner and in the process of learning Photoshop; Adobe Rush skills;

#### CAREER HIGHLIGHTS :

- Looking for opportunities to develop and gain experience within my **makeup artist** career and my **TV appearance** helped me to overcome my fears about speaking in front of a camera for a big number of people.
- **Time Capsule Middlesex Online Zine**, a **body work online publication**;
- **Product specialist**: organising different theme days in order to promote the new product collections and keeping the team motivated by creating incentives.
- **Teaching** makeup workshops for **my new starter** colleagues at MAC to increase their product knowledge, to build confidence and trust within the brand and when dealing with customers. I have also organised and taught private makeup lessons as a freelancer.
- Flexibility to work in multiple environments, being in contact with different teams, customers and clients. Being comfortable to **work in teams** but I am also confident on my own, dealing with deadlines and targets.
- Exceptional **sales productivity** and results within the MAC brand; owning different internal competition and good feedback from the management team; being recognised as perseverant, punctual and on time.
- Being part of MAC PRO which is the internal brand team where you are part of the backstage and Fashion Week events after you've passed a number of practical skills and interviews.

### INTERESTS AND ACTIVITIES

- I am passionate about **aesthetique** so I took part in different **workshops** like "Advanced Training course in pencil and watercolours technique", Apropos Makeup Academy, Masterclass "Event makeup, Bridal makeup and Facechart ", Masterclass "Fashion Makeup", MAC Senior Artist, Bucharest, Romania.
- In High School, I explored my artist skills as an amateur actress with the theatre team from my hometown "Alexandru-Giugaru", Husi. In 2010 we participated at the National Festival of Theatre for High School Students LicArt Bucharest, Romania and we won "**Best Theatre Team Award**" playing "**Le Medecin Voalant**" by Moliere (The Flying Doctor).
- I love doing creative projects about **human's psychology and feelings**. I am capable of organising the photography concept, videography, make-up look, hairstyle, outfits, decorations, looking after suitable models in order to achieve the goal.
- Feeling very connected with the nature and being inspired to use it in my works involving different **nature elements**. Surrounding myself with nature inspires me to write poems or journal.
- In my free time I like doing yoga, walking in the parks, having good conversations with my friends and family, watching animations and researching about other artists.
